Classroom Behaviour Flowchart

Students start here at the beginning of the day.

Safe Respectful Learners

When students misbehave they are given

* verbal warnings,
* rule reminder,
* redirection.

First Warning

Behaviour continues...

Student is sent to time out with instruction to return to class when they have chosen to make a good choice.

Time Out

Behaviour continues at time out or there is a refusal to go to time out.

Name placed on Buddy Class— sent to buddy class and executive referral is written (file only).

Student has decided to make good choices in time out then their name is placed on Make Good Choices for the rest of the day.

Make Good Choices

Behaviour continues — student sent to buddy class (Executive referral completed, blue card can be send to executive member/stage leader).

Student sent to buddy class if behaviour continues.

(Executive referral completed, blue card can be send to executive member/stage leader).

Buddy Class

Refusal to go to buddy class — send red card to office for executive assistance

Behaviour at any stage that escalates to violence or destruction —send red card to office immediately.

Executive Exit

Behaviour is violent / destructive—send red card immediately—NCI or exit class.
